

GL ROBERTS CVI

NEWSLETTER 2022-2023, Volume 4

What a wonderful year this has been at GL Roberts!

We had a new administrator join our current team – Ms. Yellowlees – who has been a wonderful addition throughout 2022-2023.

The year started off strong with us wonderfully connecting with many parents and guardians in positive ways ranging from the start of the year with Grade 9 day, to the jubilation of watching the joy of parents and guardians dropping off their grade 12 students to our Grad Formal!

We are very proud of our student body for their commitment to learning and their accomplishments especially this year (2022/2023) with so many recent activities and events:

- Pride month
- Asian Heritage month
- Indigenous month
- Field trips - Blue Jays game, *Da Kink in my Hair*, *Hamilton* and many more!
- Special Olympics

Furthermore, we were in full force with our many sports teams accomplishing great things, 5 Affinity groups doing many school wide activities, and the student council making a difference in the school community.

The character trait for June is COURAGE. We encourage our students to face their fears, be brave and face their challenges directly. Our students have continually shown resilience, leadership and fortitude. In fact, our GL Roberts pillars of Respect, Responsibility and Excellence have been exhibited throughout all our students - grade 9 to 12!

We welcome our new Vice Principal, Caitlin Twitchin to our school! She will be a great fit for GL Roberts CVI so please join us in welcoming her! We also must say a heartfelt goodbye and best wishes to Jacqueline Crosby as she moves into her new role as Principal at McLaughlin CVI.

Lastly, we want to extend our best wishes to all for a happy, safe and productive summer holiday. We look forward to another successful year for GLR staff and students in 2023-2024!

- Mrs. White , Mrs. Crosby, Mrs. Yellowlees

RESPECT, RESPONSIBILITY & EXCELLENCE AWARD WINNERS!

Here at G.L. Roberts, we like to acknowledge students who work hard and go the 'extra mile' in their efforts and actions. Our staff members nominate students and three recipients are chosen twice a semester who exemplify respect, responsibility and excellence. We are proud to announce our second set of winners!

RESPECT

Alyssa Gaudet is very polite and respectful in class. She is an active participant, and she brings positive change through exercising the democratic process. Alyssa encourages others to participate in shaping outcomes and she showed this through creating a petition, thus embracing her civic duties and responsibilities.

EXCELLENCE

Angel (Willow) Hillier has been a great help with yearbook this year, and always volunteers to help out with anything. She attended the athletic banquet and took pictures to highlight the event. Angel also helped hand out yearbooks and put composites together.

RESPONSIBILITY

Riley Gallant always gets his work done very promptly in art class. If necessary, he will redo or correct his work, showing that he strives to improve through descriptive feedback. Riley also has helped classmates by encouraging them and showing them how to do the work.

WOODWORK

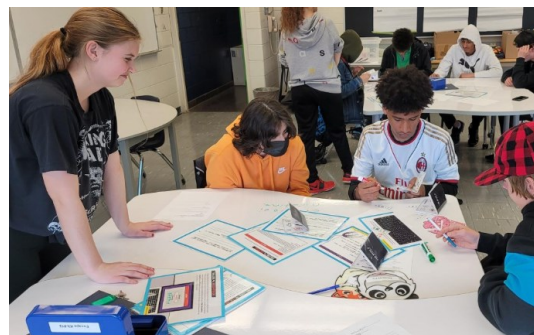

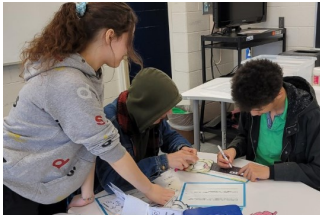

Under the direction of Mr. Lewis, GLR's woodworking students have surpassed expectations with their creative masterpieces. Well done!

LEADERSHIP

What did you do at school today? The Grade 12 Leadership students demonstrated the negative effects of vaping through an escape room activity with our grade 9 Phys-ed classes.

Escape Room

A taste of HISTORY

The CHC 2L1 History class tried their hand at making Depression Era recipes to see what life was like during the Great Depression. They made a depression cake (a cake without milk or eggs), potato pancakes, and potato candy.

This is their second cooking lab recreating recipes from History, during their first cooking lab, they prepared WW1 trench warfare recipes including Hardtack and Trench Stew.

PRINCIPAL'S TEA

May 10th, Ms. Petric had the privilege of taking two students to the Principal's Tea at Parkwood Estate promoting women on STEM (Science, Technology, Engineering, Mathematics)! Sylvia and Kimona were given a Progress Through Passion and Innovation Award which is a

metal coin made in British Columbia to commemorate their efforts in pursuing an education in STEM. We heard from Emily Tarle from OPG, Indy Butany-DeSouza from Elexicon, and Dr. Jennifer Mckeller from Ontario Tech. They talked about the importance of students pursuing careers not traditionally held by women such as engineering. We enjoyed teas and

treats and then explored the gardens around Parkwood for a beautiful, inspiring day. Congratulations to all the young women who attended including our own Sylvia Jeffers-Phillips and Kimona Brown.

Durham District School Board Multi-Year Strategic Plan

DDSB's New Strategic Plan

Have Your Say in DDSB's Next Strategic Plan!

The Durham District School Board is inviting all community members to have their say in the next multi-year strategic plan.

We encourage you to complete the [Multi-Year Strategic Plan survey](#) and participate in upcoming community consultation events.

Learn more about the DDSB's next Multi-Year Strategic Plan and upcoming feedback opportunities on [the DDSB website](#).

Your time and effort completing the survey makes a difference. Should you have any additional questions, please email MYSP@ddsb.ca or reach our voicemail line at 905-666-6975.

We look forward to hearing your thoughts and ideas on the future direction of the DDSB!

STUDENT RECOGNITION NIGHT

Monday, May 29th, DDSB hosted Student Recognition Night, celebrated with students, families, Trustees and school administration. Student recognition Night is an annual event at which three students from each secondary school are honoured for their exceptional contributions to the school and community. The event is intended for those students that may not be honoured at other school celebrations, who have overcome challenges in achieving their personal success. The focus is to celebrate students from an asset lens on their achievements. GLR is proud to recognize Caleb Cousins, Dayna Poelstra and Amari Simms.

Caleb Cousins has shown his potential to be a responsible student. He has persevered through some personal challenges and is now moving forward towards his academic and personal goals. He has shown a commitment to school and would make up lessons and assessments to stay on track when necessary. He is also working with the GL Roberts Black Education Coach to fine tune his ambitions and make strides towards his dreams. Caleb consistently demonstrates his potential to be successful in school and beyond.

Dayna Poelstra is recognized for her resilience, hard work and empathy towards others. She has overcome many struggles and is a positive role model for other GL Roberts students. She is very focussed with her academics and is doing very well in her current subjects. Dayna tries every day to stay on track and remain positive. She is always willing to help other students with their work and is very empathetic towards them. Her goal is to eventually attend hairdressing college as she has successfully completed one course at the Durham Hairstylist Academy and is registered to take the Specialist High Skills Major (SHSM) hair course next semester. Dayna is moving forward and will achieve great things.

Amari Simms is being recognized for his exceptional contributions to the school and community. His active participation in class starts with his every-day attendance, positive attitude, and willingness to engage in our class conversations, fostering a safe and collaborative community for himself and his peers. Amari demonstrates a high level of responsibility in helping to care for his younger siblings. Therefore, not only is he a good example for his peers at GL Roberts, but he is a role model for his siblings. Amari is enthusiastic with both staff and students and is a positive example for all who have the pleasure of meeting him.

PHOTOGRAPHY EXHIBITION

The evening of May 2 GLR celebrated 'My Spaces Too', a photography exhibition, held in our Library and hosted by our fantastic Graduation Coach, Mr. Elrington.

ARTs AND CRAFTs

This semester some grade eleven art students got crafty. They experienced a wide variety of materials including macrame, paper making, resin and sculpting in polymer clay. With the help of Mrs. Stone, Ms. Davis's class created stunning cards and even combined card making with hand embroidery. Their final project took humble Papier Mache to a new fun and functional level!

ART SCULPTURES

Great things are happening in our Learning Spaces. What do you get when you put a wire hanger, a block of wood and a nylon together? Amazing Art! The students in Ms. Davis's class created unique sculptures with everyday materials. See here before and after.

DUAL CREDIT

Ms. Till's Makeup Dual Credit Class studied the history of makeup. Students each had the opportunity to choose a famous make-up look from their favorite decade. We revisited the 80's and even saw a Marilyn Monroe inspired Model. Great work!

SHSM Manufacturing

A Welding job at the zoo??!!?? No way! Tell me more!

Earlier this month, the SHSM manufacturing students got the amazing experience of visiting the Metro Toronto Zoo, but they were not there to just see the animals, no! They went to meet G.L. alumni Christina Hollingsworth, who just happens to be lead welder at the zoo.

Students had an authentic opportunity to experience a welding career in the field. The SHSM students got a behind-the-scenes look at the maintenance facility and saw where Christina and her crew work. Many thanks to Christina!

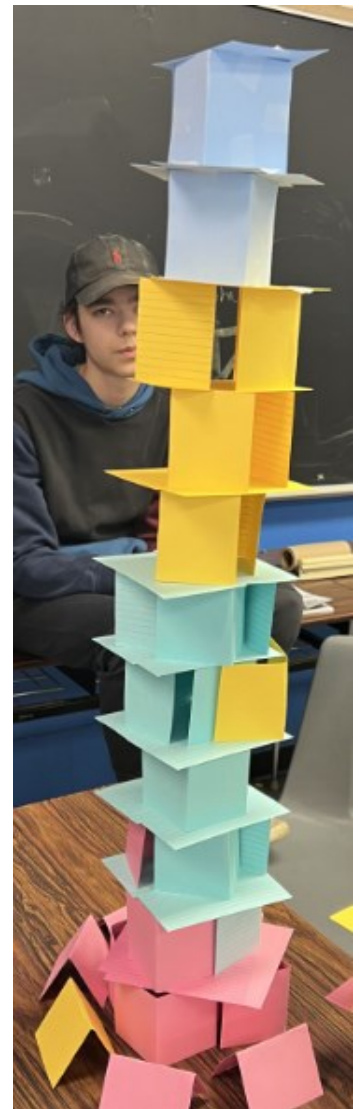

TEAM BUILDING

Mr. Scott's grade 10 civics class raced to build the tallest towers. Each group had to follow direction based on a specific leadership style; Autocratic, Democratic and Laissez-faire. With the tallest tower belonging to the Autocratic group.

Autocratic Leadership is a management style wherein one person controls all the decisions and takes very little input from group members.

Democratic Leadership actively involves the people being led. Democratic leaders often seek feedback and input.

Laissez-faire leaders have an attitude of trust and reliance on their employees. They don't micromanage or get too involved, they don't give too much instruction or guidance but let their employees use their creativity, resources and experience.

CHESS CLUB

GLR re-established a Chess Club this year welcoming students of all levels, learning resources and engaging in friendly competition. Here students flex their mental muscles during the weekly Wednesday's Chess club .

★ Girls Night

"On May 24th, GL Roberts hosted Girls Night; an empowering event for women and girls in our school community. We heard from a panel of speakers including Professor Dr. Diana Petrarca, Nasa scientist Dr. Carolyn McGregor, and OYAP Graduate in Hairstyling & Advocate Kaitlyn Gomme. The attendees heard from the speakers during dinner prepared by our very own culinary students in Ms. Henry's classes.

After dinner, students learned about different career paths, explored art, and created lip balms and essential oil blends. Our workshops were run by local Engineers, Forensic Psychologists, Veterinary Technicians, Business women, and the STEAM lab at Ontario Tech, and staff members. The entire night was made for and by women to showcase the various paths available to girls.

Prizes were won at the end of the night and all attendees were given a swag bag with various items and took home a t-shirt designed by the Women in the World Club. Students were integral to this event, helping plan, design tickets, prepare scripts, and moderate our panel. They learned leadership and planning skills in helping run this event. A special thank you to Alma Mahmuda, Cherish Otono, Carly Rightmyer, Jordyn Burns, Sylvia Jeffers-Phillips, Kimona Brown, and Cassandra Watt for all their help. "

**Just a reminder.....

GOWNS FOR GRADS

What a night! 600 dresses matched up with students!

A huge thank you to the GLR Community, Staff and Alumni, Scotia Bank, and the Durham Regional Police Department for their unified efforts in organizing this incredible event. Ms. Bryan took charge of the multitude of donations coming in, organizing by colour and seeing that all gowns were steamed and ready to adorn so many graduates.

GRADUATION FORMAL

On June 15, *A Red Carpet Affair*, GLR's Graduation Formal was held at Tosca Banquet Hall. Graduates and their guests were able to celebrate their achievements with a beautiful dinner, awards and dancing. The night was even more special due to the amazing photo booth, candy bar and chocolate fountain. Attendees danced the night away, one last time, as high school students!

BSA

Senior members of the Black Student Association took part in the Living Compendium at the Abilities Centre in May. Here they shared, with other schools and members

of the community, the various activities and programs that they have participated in at GL Roberts that have served to develop Black student inclusion, identity and excellence. Through their display they highlighted the Aspire to Be Program, BeMe program, the trip to see Da Kink in My Hair, the development of the Black Excellence Mural and so many other amazing opportunities here at GLR. It was amazing to see the students effectively speak to and share their experiences with those who attended the event.

GSA

Kael Reid joined us to provide a song writing/poetry workshop on June 13th with GLR's NBE 3U1 class. Left to right: Daniella Robinson, Void Starkes, Kael Reid and Alice Miranda. Kael has a PhD in Education and is an instructor of Liberal Arts and Professional Studies at York University where they teach in Children Childhood and Youth Studies and work on two arts-based research projects with newcomer and refugee young people. These projects examine how community music programs, song writing, recording, performance, and other creative activities enable newcomer and refugee youth to develop and extend their expressive skills, build connections and collaborative networks, and experience personal empowerment and wellbeing.

GSA 2022-2023

The GSA had a great year. Students meet monthly to enjoy lunch, a safe space, & lively conversation. Throughout the year, we welcomed Mr. Winchester, a student teacher from Ontario Tech. He came back to visit & raffled off a Toronto Blue Jays Pride Jersey. Logan Bell was the lucky winner. We also welcomed Lucas, the Store Manager from a local Starbucks, into our meetings. He came to discuss employment opportunities & much more. He also donated goodies to several events throughout the year, including the beautiful baskets for the Coldest Night of the Year fundraiser in February.

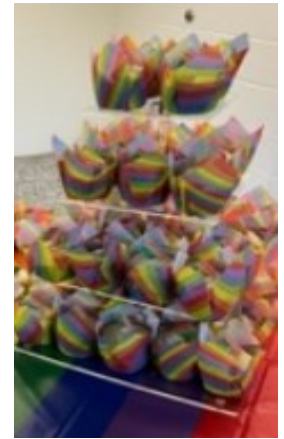

Mr. Winchester, a student teacher from Ontario Tech. He came back to visit & raffled off a Toronto Blue Jays Pride Jersey. Logan Bell was the lucky winner. We also welcomed Lucas, the Store Manager from a local Starbucks, into our meetings. He came to discuss employment opportunities & much more. He also donated goodies to several events throughout the year, including the beautiful baskets for the Coldest Night of the Year fundraiser in February.

Mrs. Jovel, Mrs. Merlin, Mr. Morra & Ms. Martorelli wish everyone a wonderful summer!

June Celebrations

The month of June was filled with many celebrations connected to Pride Month and Indigenous History Month including Musician Gary LaRocca (June 5) – member of the MSIFN joining us in the music classes, Kael Reid (June 13) speaking/performing to our music, English and Queer Studies classes, as well as food and identity lunch events. GLR Staff and Students took time to enjoy each of the wonderful activities that were planned.

INDIGENOUS HISTORIES MONTH

June's National Indigenous Histories Month Resources

In 2009, June was declared National Indigenous History Month in Canada following the passing of a unanimous motion in the House of Commons. National Indigenous Histories Month provides opportunities for educators and their students to engage in learning about the diverse and sophisticated contributions of Indigenous Peoples.

It is also an important time to provide educational opportunities related to understanding the [United Nations Declaration on the Rights of Indigenous Peoples](#) and the responsibilities that Canadian citizens have in fulfilling the calls to action in the [Truth and Reconciliation Commission of Canada: Calls to Action](#).

RESURGENCE

After hundreds of years of attempts to remove Indigenous governance structures, language, laws and land from Indigenous Peoples, they are actively re-learning the laws, languages and governance structures. Indigenous People are still here despite the government's genocidal policies.

ISA

Indigenous Elders, Bernard and Tammy Nelson provide monthly support to DDSB Indigenous Education Gatherings.

Students in the Indigenous Student Association recently enjoyed a lunch and discussion with the Elders.

CELEBRATING PRIDE

Welcome to Pride Month. May 31st GLR hosted a wonderful and amazing GSA Event – Celebrating You! The pride in our kids and the excitement for them as they had the opportunity to celebrate themselves and all members of the 2SLGBTQIA+ community. Guest speakers Garrett Metcalfe, Kael Reid and Karlene

Pendleton Jiménez, as well as PFLAG and Starbucks joined us for what I hope is the beginning of more future celebrations as we respect, honour, celebrate all student identity.

SPECIAL OLYMPICS

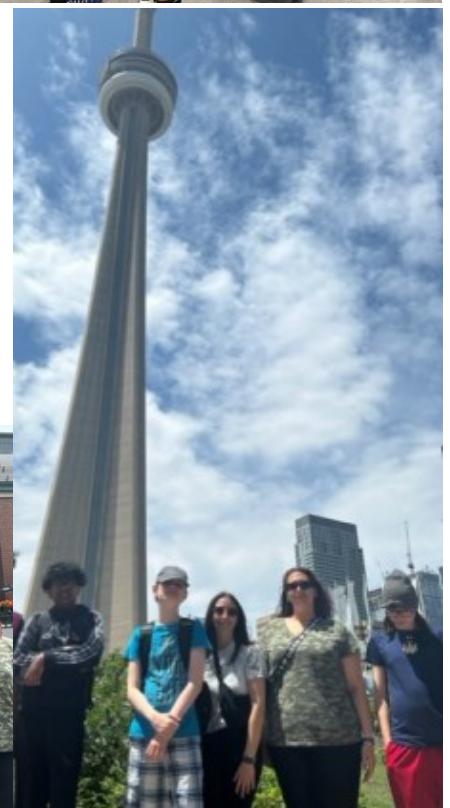

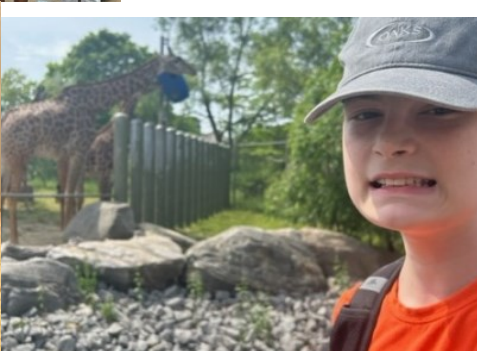

Students from GL Roberts participated in various Special Olympics Ontario School Championship Qualifiers throughout the 2022/2023 school year. We competed in Traditional & Unified Bocce, along with Traditional Basketball and Floor Hockey, and we also submitted times and personal bests for Track & Field. Our players competed proudly, had fun and showed outstanding sportsmanship. We were **extremely** proud to have 9 athletes qualify for Floor Hockey at the Special Olympics Ontario Provincial tournament, which was held in Kingston. Our team played 9 games across two days of competition, battling against fierce opposition throughout. It was an uphill battle after losing a couple games in a row, but the team persevered and managed to earn themselves the silver medal in the tournament. The coaching staff could not be more proud of our team, and of ALL the Special Olympics athletes this school year.

PLP EXCURSIONS

Our PLP Students enjoyed some social and cultural experiences this semester, participating in the Abilities Track and Field Meet, taking in the sights during a walking tour of Toronto, and visiting the animals at the Toronto Zoo. They learned to navigate the Go train system and marveled at the sights and culture of downtown.

MUSIC

It has been a busy semester for our choir, band and guitar club led by Ms. Birney. At the beginning of semester 2, we had guest speaker Gary LaRocca come in. He performed some pieces and GL students showcased how we create music with a beginning, middle and end. Near the end of the semester we had Gary come back to GL, he performed some pieces and the band shared some of the pieces that we have been working on over the semester. We also got the chance to do some blues improv using a scale of notes with each section having the chance to play to a melody.

On June 1st, we hosted our 2023 Spring Interlude Concert with record attendance! Band, guitar, and choir, as well as our drama class and dance team put on a showcase of different performances for families and friends which even featured students conducting some pieces. For the first time, the choir sang along with guitar for their performances. It was also the first time drama and dance performed. During intermission, we had some fantastic art on display from our different art classes.

In May, the GL Band hosted a Mass Band event where they welcomed Lakewoods PS. Both our band and Lakewoods' band shared some pieces that both bands were working on over the past few months. The GL band got to work with the Grade 8s so that both of the bands could combine into one big band to perform *Expedition* by Ryan Meeboer. We got to experience what it was like to have a different conductor. It was fun to see how different each conductor conducts.

On June 7th, the band went to Wonderland's Festival of Music where they performed *Dreamcatcher*, *Spring*, and *Coastal Storm*. As an added bonus one of the adjudicators named Peter Stoll worked with us and gave us some tips on how to make our pieces sound smoother.

To wrap up the school year, the choir will perform O Canada at the Grad Ceremony on June 28th @ 1PM.

Written by Adam Wichall, Grade 11, Alto Saxophone Player

ATHLETICS

Sports have come to an end at GLR for another year! This spring we had Track and Field and CoEd Volleyball going along with our year end Athletic Banquet.

Our track and field team did very well this year with many athletes excelling and achieving personal best times in many events. Special mention goes out to Mariam Hammed, who came 3rd in long jump at LOSSA and then 7th at Central Regionals. Hailee/Void Starkes came 5th in shot put and 8th at Central Regionals. Team members included: Kyra Burns, Jayla Byrom, Danielle Diamond, Alyssa Gaudet, Mariam Hammed, Ethan Johnson-Kitchemokman, Atandwa Jones, Jonah MacDonald, Danira Newell, Hailee/Void Starkes, Anthony Johnson-Kitchemokman, Cameron Moody, Christian Moores and Logan Bell. Coaches: Ms. J. Post and Mrs. D. Johnson.

CoEd Volleyball was a great experience for athletes to play together and learn about Reverse 6's and beach volleyball. The team went to three indoor tournaments and one beach tournament where they played well and had a great time! Members included: Chailynn Andress, Cyara Donohue, Zoe Hood, Katlin Wiswell, Hailey Ginn, Vanessa Alfaro, Conner Adams, William Nevills, Noah Hart, Christian Moores, Athony Johnson-Kitchemokman, and Malakia Kerr. Coached by: Ms. K. Beresford.

ATHLETIC BANQUET

Last but not least, we had our annual Athletic Banquet on June 8th, 2023 where we celebrated all the successes of all our teams along with some special awards. Congratulations to all athletes! Thank you to all coaches, if we didn't have you, there wouldn't be any sports!

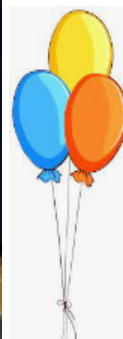

CONGRATULATIONS!

Female Athlete of the Year: Kyra Burns

Male Athlete of the Year: William Nevills

Junior Coaches Award: Mariam Hammed

Senior Coaches Award: Jonah MacDonald

GRADE 12 COMMENCEMENT

Graduating Grade 12 GLR students celebrated their success with in-person Commencement Ceremonies the afternoon of June 28th. Wishing all our GLR Grads a heartfelt congratulations and future successes.

Sincere thanks to the Graduation Committee for creating such a memorable event, and making this a very special occasion! Loving our Laker Nation!

GUIDANCE NEWS

Summer School

There are several opportunities for students, this summer, to continue their learning journey. In addition to offering a Credit Recovery Summer School Program at G.L. Roberts (July 4th-14th), the [Durham Continuing Education Department](https://www.dce.ca) has also provided programming for students to earn credits through Credit Recovery programming, Upgrading programs and Full Credit programs. Learning options for Summer School included in-person and Virtual learning.

For more information, please go to www.dce.ca. Registration for Summer School can be completed using myBlueprint.

Additionally, G.L. Roberts is pleased to offer the **Getting Ready for High School (GR4HS)** program for students entering Grade 9 in September. We encourage these students to consider signing up for this program as it provides them with a brief introduction to the grade 9 English and Mathematics curriculum, as well as study skills, time management, and steps to success. The program also allows students to become familiar with Laker Nation and prepares them for the transition from elementary school to secondary school. This program is a great resource for students who are experiencing some anxiety regarding the upcoming transition.

The Getting Ready for High School program runs from August 21st-23rd, 2023. Please use the course code GR4HS, when registering through [myBlueprint](https://myblueprint.ca).

Student Email & Communication

Students are encouraged to practice the habit of checking their student email accounts regularly. They are also reminded that they can set up notifications for Google Classroom, so they will be notified when new content is posted. eLearning courses/teachers communicate directly with students through their student email, so if your student is enrolled in Summer School eLearning or an eLearning course for next year, we highly recommend that they start accessing their emails to check for upcoming dates and other important information.

Commencement

G.L. Roberts C.V.I. hosted another successful commencement ceremony on Wednesday June 28th, 2023. The staff at Laker Nation were happy to welcome friends & family of our graduates and share in the celebration of our students' success and achievements! Congratulations to all of our graduates on your achievement. Your effort, determination and choosing your success has led you to this important milestone!

College and University Applications

Congratulations to our college and university applicants who are furthering their education at various apprenticeships, colleges and universities for the 2023-2024 academic year. We wish you every success in your future post-secondary studies. We encourage you to be a lifelong learner, and to remember that you are worth the effort!

Furthermore, we applaud the students who took the time to apply for scholarships to help fund their education. We were thrilled to see how many of our students were recipients of numerous scholarships, during our commencement ceremony.

If you have not already done so, and would like to apply to college, please go to www.ontariocolleges.ca to review the list of programs that are still accepting applications!

2023/2024 School Year

We will be welcoming our Grade 9s on **Tuesday September 5th, 2023**, for their first official day of High School, also known as Grade 9 Day! We will be expecting our Grade 9 Lakers to arrive at 9:15 am, so that they can reduce their stress and start their high school career with habits that support their success. Grade 9 students will be engaged in a **full school day** (9:30-3:30). Lunch will be provided. **Only Grade 9 students attend school on Tuesday September 5th.** During the school day, students will receive their timetables, meet their teachers, and receive course information.

Our regular 2023-2024 school year starts for everyone on **Wednesday September 6th, 2023**. Prior to this date, students can access their timetable using the [Parent Portal](#). Additionally, students' homerooms will be posted throughout the school on Wednesday September 6th. **Students need to be in class, ready to learn, before the 9:30 bell.**

Students can request a timetable change during the first week of semester. Students will be required to sign up in Guidance to request a timetable change. Students may not leave class to sign up, but are welcome to sign up before school, after school, or during lunch. The Guidance team will do their best to accommodate course change requests, during lunch.

If you would like to register a new student, please contact our Guidance Office 905-728-7594 extension 228020, to begin the process.

Ministry of Education Graduation Requirements:

Community Involvement Hours

This is a friendly reminder that students must have a minimum of 40 Community Involvement hours completed before the end of Grade 12. That breaks down to 10 hours per year. We encourage students to take some time this summer to complete these hours to reduce their workload throughout the academic year.

eLearning Requirements

The Ministry of Education has also implemented a requirement for students to earn 2 eLearning credits to earn their Ontario Secondary Diploma (OSSD). **However**, parents/guardians are able to complete a form and **opt-out** of this requirement. Please complete [this form](#) and submit it to the Guidance Department, if you would like your child to be exempted from this requirement. Submitting the Opt-Out form to Guidance will remove the graduation requirement for your student, but your student will still have the choice to take eLearning courses, if they choose to do so.

COUNSELLOR IN TRAINING PROGRAM

Learn how to make a difference with issues that are important to you, how to work with peer groups, accept new responsibilities in leadership, develop independence and self confidence. Summer Camp provides a safe space for youth to make new friends ,

become leaders and have fun!

Girls ages 13-16

Ignite Durham Learning Foundation

The Ignite Durham Learning Foundation is a charitable community organization that supports DDSB students facing financial barriers to success. It could be a student that doesn't come to school on cold days because they don't have a winter coat, or a child who can't concentrate in class because they're hungry. There are countless ways that poverty shows up in Durham schools and creates barriers to learning. The Durham District School board is responding to the challenge with this new foundation that now has charitable status. Donations can be made online at ignitedurhamlearningfoundation.ddsb.ca.

CHROMEBOOK SUPPORT MESSAGES

Students learning **in-person** should report any Chromebook or other device damage to their teacher. From there, the teacher should generate a help ticket and direct the student to the main office for the LAN Technician to assess the device and plan a repair/replacement strategy. The LAN Tech is available to support students from **9am to 1pm in Tech HUB Tuesdays, Thursdays and alternate Fridays**. While student devices are being fixed, they may borrow a temporary replacement for use while in the school from the Library. Intentional damage to DDSB assigned devices may result in an invoice which will require repayment.

Parents of students enrolled in **DDSB@Home** in Grade K-6, please note that a DDSB device is not required as any web-enabled device can be used to access DDSB@Home lessons and resources.

DDSB@Home students and parents can access troubleshooting tips by visiting DDSB@Home Elementary or DDSB@Home Secondary websites. If the problem persists, students should report their device to their teacher. From there, schools will submit an IT Incident as per the standard process. The family will be contacted via email to book an appointment for a curb-side swap at the Education Centre.

UPCOMING IMPORTANT DATES & EVENTS
